

**BATTLE OF AIKEN
MODERN VENDOR APPLICATION**

The Battle of Aiken has a few 10' X 10' spaces that are available to modern vendors. The modern vendors **sell merchandize that has some connection to the Civil War and is historical in nature.** Ex: Civil War Prints, Books on Civil War history, etc. Often, authors sell their books at the Battle. The difference between modern vendors and sutlers is that sutlers bring large 1860 era canvas tents, dress in 1860 outfits, and set up in a different area. Modern vendors bring pop up tents and folding tables, wear modern clothes, and sell modern merchandise.
